

Dear SoACE Colleagues,

Are you ready for the excitement and magic of Disney in December? Do you want to have a role in the SoACE magic? If so, then you need to be a part of our SoACE 2008 Making Magic Happen Annual Conference in Orlando, Florida on December 7-10. The Conference Committee wants to provide our members with a conference that offers professional development opportunities and networking opportunities.

To do this we need your help! We depend on donations/sponsorships to enable us to bring you the best conference each year.

Why should you be a sponsor?

- Increase visibility for your organization through name recognition
- An opportunity to increase sales of your products or services
- Expand your professional network and career opportunities
- Appreciation from your colleagues for your generosity

What will you receive?

- Your organization name listed on the SoACE web page and conference page
- Your organization name listed in the conference program on the Sponsor page
- Your company name will be seen by hundreds of career center professionals representing thousands of students
- Your college or university name will be seen by recruiters from many industries

We look forward to having you as a sponsor and participating in our annual conference. Please see the following opportunities for sponsorship ideas on the next page. To receive full recognition we must receive your contribution by October 15, 2008.

If you have any questions please contact either one of us and we will be happy to answer your questions. Thank you for your consideration and support!
