Knowledge Groups

SoACE Knowledge Groups (8) offer members the opportunity to learn about and contribute to the growing and evolving body of knowledge that guides our profession.

Digital Communications

Members get immediate and on-going peer support and consultation via our Slack Channels, Connections Blog and weekly Upcoming Events notifications. We keep members in the know and current on trending issues.

Engagement

SoACE offers a variety of opportunities for member engagement and development, from participating on the conference planning committee to chairing a task force.
